# RETINOIDS AND PHYTORETINOLS: PERFORMANCE TO THE POWER OF 4

RETINOIDS

## ENCAPSULATED PURE RETINOL\*

- **The gold standard of cosmetic active substances**, it refines skin texture and reduces the visibility of enlarged pores.

## ENCAPSULATED PURE RETINALDEHYDE\*

- It visibly renews the skin making it **look firmer and younger**.

PHYTORETINOLS

## BAKUCHIOL\*

- **Renewing, calming, restructuring**, it makes the skin look smoother and more even.

## MASTIC RESIN\*

- **It protects the Retinoic Acid naturally present in the skin**, for an enhanced effectiveness and maximum safety.

## THE ACTIVE FRAGRANCE

A true functional substance that acts in synergy with the other ingredients, enhancing the effectiveness of the formulas.

## INTELLIGENT DELIVERY SYSTEM

Latest-generation vesicles allow to deliver and release Retinol and Retinaldehyde both pure and encapsulated, in a controlled manner, in order to enhance their effectiveness.

- **Maximum effectiveness**
- **Prolonged effect and higher tollerability**
- **Targeted action, progressive release**
