# Naturally beautiful

A **Beauty Code** developed in a "harmonious" and controlled way to guarantee maximum Effectiveness and Quality.

A **Selection of natural formulas** that combine an effective tightening and filling visible effect with a cosmetic biorevitalizing and elasticizing one to enhance facial features and restore their original beauty.

## EYE/LIP CREAM FILLING LIFTING

Lifting emulsion dedicated to the delicate areas of the eye and lip contours. It reduces the appearance of signs of expression, fatigue and ageing, increasing skin elasticity.

## PEPTIDE PEARLS INTENSIVE SERUM-DUO

A powerful combination of two booster serum concentrates, enclosed in precious single-dose pearls, with a smoothing and antigravity visible effect. It reduces the visibility of expression lines and skin laxity on the face and neck.

## FILLER SERUM HYALURONIC ACID

Biorevitalizing serum that attaches to the core of the wrinkle, filling it in and giving the face an immediate sculpted effect making skin look even, elastic and smooth. An excellent base for improving make-up.

## MOISTURIZING CREAM LIFTING EFFECT

Soft cream rich in a lifting complex and in antarctic algae extracts with smoothing and elasticizing effect. The skin looks lifted and younger, the oval of the face appears redefined. Hydrates, evens and makes the skin look firmer.

## HYALU BOOST 5 CONCENTRATE SERUM

All the power of a complex of five hyaluronic acids in a serum concentrate that deeply hydrates and intensely plumps the skin. The face instantly recovers elasticity, softness and a fresh and toned complexion. Wrinkles and expression lines are visibly reduced.

## SUBLIME LIFT SERUM OIL

An oil serum featuring seven high-quality vegetable oils and an innovative complex with a multi-lifting action. It nourishes and redensifies skin on the face, neck and décolletage, visibly reshaping the contours. Precious pigments with silver reflections give instant radiance to the skin.

## NOURISHING CREAM FILLING EFFECT

Nourishing filling cream made with filling plant polymers nourishes and gives the skin a replumped and firmer look, minimizing the visibility of wrinkles and expression lines. It makes skin smooth, radiant and improves skin elasticity, enhancing facial feature proportions.
