DE-OX  
C EVOLUTION

Vitamin C  
and beyond

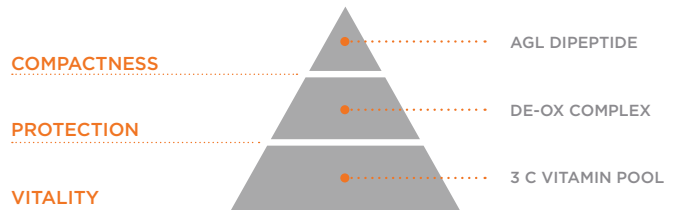

## DE-OX C EVOLUTION

DE-OX C EVOLUTION HAS BEEN STUDIED BY BIOLINE-JATÒ LABORATORIES WITH A TWOFOLD OBJECTIVE: TO HAVE AN EFFECTIVE ALL-AROUND PROTECTIVE ACTION FROM ENVIRONMENTAL STRESSORS AND VISIBLE SIGNS OF AGEING.

A line that combines the most advanced forms of vitamin C with the latest generation active compounds for a powerful revitalising and protective effect.

Cutting-edge cosmetic formulations capable of releasing active ingredients in the heart of the skin, ensuring rapid absorption and an immediate sense of wellbeing.

**!** THE SYNERGY BETWEEN THE MULTI-CORRECTION PROFESSIONAL TREATMENT AND PRODUCTS FOR HOME USE ENSURES MAXIMUM EFFECTIVENESS

\* Tested home care products: booster serum POWER C, cream RADICAL CAPTURE, cream INTENSIVE CORRECTION, eye / lip cream INTENSIVE CORRECTION

\*\* Clinical results carried out on 20 female volunteers for 4 weeks twice daily (home care products)

\*\*\* % of volunteers (20) who gave a positive answer after 4 weeks twice daily (home care products)

BIOLINE JATÒ

## AGL DIPEPTIDE

A valuable multi - functional, protective substance, that targets sagging skin, making it look firmer and smoother.

COMPACTNESS

## DE-OX COMPLEX

A complex of three innovative active ingredients that work synergistically to protect the skin from the damage caused by exposure to environmental stressors.

DE-OX C EVOLUTION

PROTECTION

### **3C VITAMIN POOL**

Three different forms of vitamin C combined in a balanced, high concentration and stable formula: an energy boost which makes your skin look immediately fresher and brighter.

VITALITY

BIOLINE JATO

ESSENTIAL

## SERUM ESSENTIAL C

Vitamin C / Panthenol / Vitamin E

Serum with a melting and silky texture that revitalizes and recharges the skin's energy, moisturizing and illuminating the face and providing an immediate sensation of well-being. Delicately fragranced and rapidly absorbing, it is ideal for younger skin that recovers a uniform and vital appearance.

## BOOSTER SERUM POWER C

Vitamin C / AGL dipeptide / Vitamin E

The power of a high concentration of vitamin C contained in a serum with a reinforced formula that illuminates, renews, and revitalizes the skin. An authentic starter of radiance and youth, it maintains the skin's natural elasticity and compactness over time.

## EYE / LIP CREAM INTENSIVE CORRECTION

Maslinic acid / Vitamin C / Eye & Lip Relief Complex

A unique balance of richness and lightness that delicately enfolds the most fragile areas of the face, reducing the visibility of lines, bags and dark circles. This velvety cream provides a fresh sensation of immediate wellness for a more luminous look and defined lip.

ADVANCED

## CREAM ESSENTIAL C

Vitamin C / Sweet orange extract / Shea butter

A concentrate of vitamin C contained in a fresh and soft texture. A burst of pure energy that melts into the skin, providing extraordinary luminosity and perfection day after day. It is ideal for younger skin, which are frequently exposed to stress and environmental damaging factors.

## CREAM RADICAL CAPTURE

Oxy Shield / Maslinic acid / AGL dipeptide

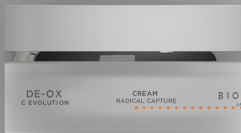

Formula that intensely stimulates and protects the skin, providing an invisible shield against external aggression. It reduces the appearance of the signs left by time, giving skin a unique luminosity and a sensation of complete wellness.

## CREAM INTENSIVE CORRECTION

Ectoine / Vitamin C / Argan oil

Rich and precious cream that envelops the skin with an intensely nourishing film, leaving it compact, smooth, and incredibly soft. It takes advantage of nocturnal biorhythms and of the high concentration of ectoine to reinforce the skin defences, providing it with radiance and perfection.
